March 2005 – New Album

Blunderbusses At Dawn

**“The music business is a cruel and shallow trench,
a long plastic hallway where thieves and pimps run free,
and good men die like dogs.**

There is also a negative side”

Hunter S. Thompson. RIP

• The two years since Killing Time Between Meals have been spent recording, cutting, pasting and adeptly tinkering to produce another crop of top class 'indietronica' that we're proud enough of to let people have for nothing. With nobody committing to a release of any kind, the rough mix of **Blunderbusses At Dawn** was just sitting there taking up disk space. We've made it a free MP3 download so at least people will get to hear it. Plus it means we don't have to go back and finish it. Genius!
